Career Objective

To Upskill myself into the Field of Robotics with an Progressive Organisation which adapts new Technologies in Robotics.

Education

Degree	Name of Institute	University / Board	Year of Passing	CGPA/Percentage
B.E ECS	Fr. Conceicao Rodrigues College of Engineering	Mumbai University	2022	8.84(Upto Sem IV)
HSC	Swami Vivekanand School & Jr College	Maharashtra State Board	2020	76.3%
SSC	Navjeevan Vidyalaya High School	Maharashtra State Board	2018	81.5%

Technical Skill

Programming Languages	Design and Manufacturing	Electronics
C/C++, Java , Python	MatLab , Solidworks , ROS(basics)	PCB designing(Basics)

Responsibilities

Position	Job	Roles and Responsibilities
Junior Member	Social Media Manufacturing & Design	Handling Social Media Simulation of Robots.
Senior Team	Management of Team	Making sure each junior is getting equal opportunities of learning.

Experience

Worked with a team of 30 undergraduates for our project i.e for National Level Robotics competition DD Robocon 22. Henceforth I can work collaboratively and collectively with people. Being in Team I learnt team work ethics and always felt a sense of belonging towards colleagues.

Strength

- Always Thrust for learning
- Very Hone Observer
- Self-Organised
